AKIMBO CREATIONS SUCCESSFULLY SECURES FUNDING FROM THE CANADA MEDIA FUND

Groundbreaking new sci-fi action adventure 'ARC Continuum' wins coveted funding prize on its path towards global launch

Vancouver, BC – Aug 6, 2015: Akimbo Creations is proud to announce their successful bid to secure seed funding from the Canada Media Fund <http://www.cmf-fmc.ca/> for their flagship PC videogame, ARC Continuum.

Competing with hundreds of talented game development and technology teams across the country, Akimbo Creations' groundbreaking PC title impressed the judging panel with its compelling sci-fi action adventure.

"We are absolutely thrilled and delighted to be recognized and supported by the Canada Media Fund's selection committee for our bold new PC title ARC Continuum," said Behrouz Poustchi, CEO of Akimbo Creations. Mr Poustchi continued, *"Canada is an incredible hotbed for startup game development and the level of competition we were up against gives us a tremendous sense of achievement."*

With plans to bring ARC Continuum to Steam Greenlight in Q3 2015, Akimbo Creations will be sharing more information regularly on their official website www.akimbocreations.com and their community social channels [Facebook](#), [Twitter](#) and [Youtube](#)

About the Canada Media Fund

The Canada Media Fund (CMF) fosters, promotes, develops and finances the production of Canadian content and relevant applications for all audiovisual media platforms. The CMF receives financial contributions from the Government of Canada and Canada's cable, satellite and IPTV distributors. The CMF guides Canadian content towards a competitive global environment through fostering industry innovation, rewarding success, enabling a diversity of voice and promoting access to content through industry and private sector partnerships.
